Collection of your Personal Information

Digital Arc Systems may collect personally identifiable information, such as your name. If you purchase Digital Arc Systems's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Digital Arc Systems. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Digital Arc Systems website.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Digital Arc Systems's public message boards, this information may be collected and used by others.

Digital Arc Systems encourages you to review the privacy statements of websites you choose to link to from Digital Arc Systems so that you can understand how those websites collect, use and share your information. Digital Arc Systems is not responsible for the privacy statements or other content on websites outside of the Digital Arc Systems website.

Use of your Personal Information

Digital Arc Systems collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Digital Arc Systems may also use your personally identifiable information to inform you of other products or services available from Digital Arc Systems and its affiliates. Digital Arc Systems may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Digital Arc Systems does not sell, rent or lease its customer lists to third parties.

Digital Arc Systems may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties

are prohibited from using your personal information except to provide these services to Digital Arc Systems, and they are required to maintain the confidentiality of your information.

Digital Arc Systems may keep track of the websites and pages our users visit within Digital Arc Systems, in order to determine what Digital Arc Systems services are the most popular. This data is used to deliver customized content and advertising within Digital Arc Systems to customers whose behavior indicates that they are interested in a particular subject area.

Digital Arc Systems will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Digital Arc Systems or the site; (b) protect and defend the rights or property of Digital Arc Systems; and, (c) act under exigent circumstances to protect the personal safety of users of Digital Arc Systems, or the public.

Use of Cookies

The Digital Arc Systems website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Digital Arc Systems pages, or register with Digital Arc Systems site or services, a cookie helps Digital Arc Systems to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Digital Arc Systems website, the information you previously provided can be retrieved, so you can easily use the Digital Arc Systems features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Digital Arc Systems services or websites you visit.

Security of your Personal Information

Digital Arc Systems secures your personal information from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Children Under Thirteen

Digital Arc Systems does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

Opt-Out & Unsubscribe

We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from Digital Arc Systems by contacting us at contact@RPGsuite.com.

Changes to this Statement

Digital Arc Systems will occasionally update this Statement of Privacy to reflect company and customer feedback. Digital Arc Systems encourages you to periodically review this Statement to be informed of how Digital Arc Systems is protecting your information.
